REPORT OF THE BOARD OF EDUCATION.

Your Board of Elucation submits the following report:

I. GENERAL BOARD.

The General Board reports a year of progress. They have increased the assessment so that they will have more money to carry on the work. The endowments of colleges are being increased and the number of students is greater than ever before. The standards are being gradually raised and the institutions are classified in accordance with the grade of work they are doing and their endowments.

Vanderbilt University, the Correspondence School, the Scarritt Bible and

Training School, and the Methodist Traning School for Christian Workers have proved their value, and we recommend their patronage.

The assessment apportioned to the Conference is $2,109.00.

II. SEASHIRE DIVINITY SCHOOL.

The report of the Board of Directors is very gratifying. It shows an attendance of 175 preachers, besides a number of laymen and ladies. The lectures were of a high order and the classes were well taught. We heartily endorse this school and would encourage all who can do to go.

We urge the Presiding Elders not to arrange their District Conferences for the date of June 25 to July 5.

We should like to appropriate $150.00, but having no funds, we instruct the clerical members to raise the amount of $150.00 by June 1st.

III. CENTENARY COLLEGE.

Reports of Dr. F. R. Hill, President of Centenary College, and P. M. Welsh, President of the Board of Trustees, show the college is in excellent condition and is advancing. The receipts for the year 1910-1911, from tuition, board, etc., were $9,177.00; collected by President Hill, $1,624.00; total, $11,390. The enrollment of students was 122, an increase over last year, and the number of those who are in the College Department is even larger. About twenty of these students are young preachers, and if Centenary was doing nothing more than this, it would justify its existence.

They are asking for more money. They need a building, and the need is imperative and must be met in some way. They need more money for current expenses, and this must be forthcoming before we shall have the college we all desire.

IV. MANSFIELD COLLEGE.

The report of President A. B. Peters shows that the indebtedness of the college is $23,014.00; part of this is a mortgage indebtedness and part of it consists of floating debts. Some of it is pressing, but most of it will be carried if interest is paid promptly. His report further shows that the receipts for the first term, ending January 23, 1912, from tuition and board are $3,931.00 and the expenses $3,981.00, leaving a deficit of $50.00, which is a most excellent showing. A few more students would put the institution on a paying basis.

The enrollment is now 89, and should be 150. The college could easily accommodate that number, as it has had that many in the past.

Their great need now is money to pay part of the debt, so that they will not be hampered or embarrassed in their operations.

The following are nominated as Trustees:

CLERICAL—P. M. Brown, H. R. Singleton, W. H. Coleman, N. E. Joyner, R. W. Vaughan, R. H. Harper, A. G. Shankle, M. C. Holt, W. R. Harvell, S. S. Keener, B. H. Sheppard.

LAY—D. G. Petty, R. T. Moore, W. A. Nabors, H. W. Williams, T. E. Smith, H. T. Liverman, C. B. Hicks, J. M. Middleton, W. D. Wadley S. H. Porter, J. T. Lawrence, T. C. Middleton, John Rogers and W. P. Head.

V. ASSESSMENTS.

The assessment for next year is fixed at $7,000.00 and apportioned as follows:

District—	Conf. Ed'n.	Ed'n. Extension
Alexandria	$ 838.00	$ 252.00
Baton Rouge	1,080.00	325.00
Lafayette	942.00	284.00

Shreveport	1,207.00	364.00
Totals	$7,000.00	$2,109.00

H. T. Carley and S. J. Davies, Professors in Centenary College.

VII. Correlation of Centenary and Mansfield Colleges.

1. The time has come for an educational advance. Our institutions should be unified and strengthened. Therefore, the board recommends the correlation of Centenary and Mansfield Colleges and present the following plan as passable and practicable.

2. Let the Annual Conference of 1911 appoint a committee of five Methodists, two of whom shall be lawyers, to draw up a charter, which shall include both Mansfield and Centenary Coleges; said charter to be secured under the general laws of the State, or by special act of legislature of 1912, or by amendments to charter or charters. Plan to be determined by the commitee. The draft of the charter to be reported to the Annual Conference of 1912 for action.

3. The committee of five shall be composed of P. M. Brown, R. E. Bobbitt, H. T. Liverman, P. M. Welsh and M. C. Holt.

This committee of five shall be restricted and instructed as follows:

2. (5). The system shall include Centenary College, for men, which shall remain at Shreveport; Mansfield College, for women, which shall remain at Mansfield, and such other schools as the Conference shall deem necessary to establish in the future.

3. (6). The Board of Trustees shall consist of not less than 24, and not more than 40 members, four-fifths of whom shall be members of the Methodist Episcopal Church, South; one-half shall be laymen and one-half ministers.

4. (7). One-half of the first board shall be elected by the present board of Centenary and one-half by the present board of Mansfield, from their own membership. The boards shall elect their trustees in groups of four, so that the term of one-fourth of their body shall expire in one year, one-fourth in two years, one-fourth in three years and one-fourth in four years. Thereafter the trustees shall be elected for terms of four years.

The board shall nominate new members annually to fill vacancies and the Annual Conference shall elect.

5. (8). The Board of Trustees shall elect the president of the system, vice-president for Centenary anl Mansfield, other officers and teachers. The teachers are to be nominated by the president. They shall have power to remove officers and teachers for cause.

6. (9). The Board of Trustees shall elect two Executive Committees of five each, one for Centenary anl one for Mansfield, to attend to the local or special interests of each.

7. (10). The Board of Trustees shall make an annual financial report for each institution to the Annual Conference.

8. (11). The Board of Trustees of Centenary College and the Legal Conference of the Louisiana Annual Conference are instructed to convey to the Board of Trustees of Centenary-Mansfield College all property, money, notes, etc., which they now hold belonging to Centenary and Mansfield Coleges.

9. (12). The "Trust Cause" shall be inserted in the charter.

VIII. The board recommenls that the Louisiana Annual Conference authorize the Legal Conference to bond Mansfield College for the sum of Twenty-five Thousand Dollars, payable One Thousand Dollars per year for twenty-five years, with

6 per cent interest. The Louisiana Conference binds itself to guarantee the One Thousand Dollar bond for the year and interest for the year.

IX. The board recommends that the Bishop be requested to appoint a Conference Secretary of Education, whose duties shall be to stimulate interest and arouse an educational spirit among the Methodists of the State, to secure students for Mansfiield and Centenary Colleges and to solicit funds for the colleges. We request the appointment of N. E. Joyner to this office.

A communication was received from a committee of citizens of Jackson, La., relating to Centenary College. The board referred this to the Board of Trustees of Centenary College.

XI. A communication was received from President R. S. Hyer of Southern Methodist University, asking that two commissioners be lected to confer with the commissioners of the university. In view of the conditions and needs of our educational institutions, we deem it unwise to undertake anything new at present.

XII. A resolution was adopted that this Conference urge the General Board to approporiate $1,000.00 to Mansfield College and $1,000.00 to Centenary College.

J. F. Foster presented the report of the Committee on Sabbath Observance, which was adoptel, as follows:

REPORT OF COMMITTEE ON SABBATH OBSERVANCE.

The Sabbath and its observance is a question that no nation or people can afford to treat slightingly. It is not a law or command of human origin, but divine. Sabbath keeping is if so great moment in the divine thought that the example of the Creator Himself "rested on the seventh day and hallowed it." Today the civilizied nations of the world acknowledge the importance of the Sabbath as a day of rest, and realize that it embodies a fundamental law of man's physical well-being. The legislative bodies of the land, both national and state, have awakened to its importance and are framing laws to protect mankind and save to them this day as a day of rest and relaxation. The labor organizations likewise are alert and are claiming protection for their members. But there is another side to this question and that is the purpose of the day for other and more far-reaching results; namely, the moral and spiritual. It is to be preeminently a day of worship. We fear that this part of the divine purpose is being forgotten in part, and that men are using the day for earthly rather than spiritual ends. We would that it were otherwise, but so it is, and we, Americans, are rapidly drifting away from our moorings and adopting the European idea. History goes to prove that as is the Sabbath of a nation, so is the nation, its moral worth to the world and its perpetuity. It is the citadel of a nation's strength, and we cannot allow its purpose to be forgotten. The day is now upon us in which if something is not done to protect it, the Sabbath will cease to have the hold upon conscience and thought that it is designed to have. As a church we should do all that we can both by example and preaching from the pulpit to bring back the thought of the people to the true idea of the Sabbath and to realize that it is a day set apart from the usual vocations of life for rest and the worship of God. Especially is this need great in our own state, where we have a large foreign population ruled by foreign conceptions of and a view of the Sabbath differing radically from our own. In view of this we should the more persistently uphold an ideal and urge our people to abstain from all unnecessary work, from traveling on trains, making a marked difference in it from other days, and we should use our influence to discourage all Sabbath amusements.

All ministers and leaders in the church, as teachers of the people and the ones to whom the people look for example, should be careful of their acts and become leaders in restoring the right of our holy Sabbath day.

We would recommend and request that our pastors, as convenient, shall in the early spring present this question to their congregations, preaching on Sabbath observance.

Respectfully,

JOHN F. FOSTER, Chairman.

Dr. Barr, pastor of the Lafayette Presbyterian Church, was introduced.

P. M. Brown moved that we do now adjourn. The motion prevailed.

Question 48—Where shall the next session of the Conference be held?—was called.

Noel Memorial, Shreveport, was put in nomination by F. R. Hill. Jr.; Monroe by R. H. Wynn, and Mansfield by A. W. Turner.

Monroe was chosen, and, on motion of R. W. Tucker, the choice was made unanimous.

J. M. Alford presented the report of the Committee on Temperance, which was adopted. The report, as abridged by authority of the Conference, is as follows:

REPORT OF THE COMMITTEE ON TEMPERANCE.

The Bible is preeminently opposed to the use of strong drink. It is passing strange, however, that so many who claim to take God's word as the guide and

rule of their lives should for a moment question the evils of the liquor traffic. With reference to this subject we have three classes of people, viz; the total abstainer, the moderate drinker, and the excessive drinker. As the word indicates, the total abstainer never touches, while the difference between the moderate drinker and the excessive drinker is, the one wouldn't quit if he could and the other couldn't if he would.

Every benefaction bestowed upon us by our Heavenly Father may be abused. Shall we therefore, refuse to enjoy these blessings? By no means. That some people are intemperate in eating a certain article of food, and thereby become the victims of dyspepsia and suffer the consequences of gluttony is no argument why others should abstain from that article of food. That some abuse the privileges of the Sabbath is no reason why others should lose sight of the principle that "the Sabbath was made for man and not man for the Sabbath." We should be divinly led and when this is true we are led into all truth and not into error. But we might ask, is alcohol one of these heaven-bestowed benefactions? We submit that if we are to judge the tree by the fruit it bears, we would certainly answer in the negative. Temperance being a Christian virtue is one of those graces which we are led to exhibit in our lives for the adornment of the godly character.

The question has often been asked, "is temperance the use of intoxicants with moderation or total abstainance?" We would answer, total abstainance.

Observe the meaning of the word intoxicate. The Greek warriors invented a fluid called toxicon, into which they dipped the points of their arrows which even by a slight wound, produced death by the insertion of this deadly poison into their blood. Thus alcohol got its right name when it was termed an intoxicant.

We believe it is a misfortune that reference is sometimes made to the liquor traffic as a business. It is not a business, but a crime. Be it known, that we, the Louisiana Methodist Conference, stigmatize the liquor traffic of this country as a crime against God. a crime against humanity, and the most gigantic foe to progress and to everything that purifies society, and dignifies human nature, and a positive enemy to everything that makes for the betterment of our land.

We might say that there are three kinds of human activity, viz: charity, business and crime. It is charity, when out of the fulness of our hearts, and actuated by pure motives, we give something to relieve the destitute and the suffering, not expecting to be recompensed in this life. A legitimate business means that both parties engaged in a transaction are benefitted. We challenge the world to show where either party is benefitted by the sale of liquor. The man who buys it is injured in more ways than one, and the man who sells it is injured because he operates an institution which is recognized as the greatest menace on earth to human happiness. Since neither party is helped, but both are injured in the traffic, it is therefore a crime and not a business, and that it is legalized in some communities does not make it a business. Man has no right to do anything that is wrong. We submit that some things are lawful yet are not right. Whiskey is sold in this state with the sanction of the law, but the legality of it does not make it right. It is sold in spite and not in consequence of the right.

As a Church, we should take our place along with, if not in advance of, others who are waging a war against the entrenched forces of this insidious foe. As we advance along other lines of religious activity, let our zeal against this mighty monster increase also. There are Christians enough in America to drive the enemy from the field of battle. Let us assert our rights.

We believe it is our heritage to have a country free from the baneful influence of the liquor trade, which like a great scourge, and a mighty pestilence, is blasting and blighting more than one hundred thousand American youths annually. It is conservatively estimated that rum kills more every year in our country than in any year of our Civil war were killed in battle and camp. We

know it is claimed by those who use whiskey in any way, that its moderate use is in many ways beneficial to the human body, that it is promotive of health and conducive to longevity, that it increases one's capacity for labor, both mentally and physically. But be not deceived. The person who labors when under the influence of manufactured spirits, does not perhaps, realize that he is drawing on his future resources. He lives three years in one.

We would also call your attention to the unjust and disgraceful practice of our Federal Government in encouraging and superinducing crime among her citizens by granting a Federal license to sell intoxicants in dry territory. It ought to be regarded as an indignity to any party of the country for our Federal Government to allow such a thing where it has been outlawed by the local authorities.

GALLEY EIGHT—CONFERENCE

We earnestly request our Congressmen and United States Senators to do all in their power to bring to pass the enactment of such laws as will preclude the possibility of this gross injustice. We would also appeal to the legislative powers of our state to come to our relief in causing such legislation as will free our commonwealth from the curse of the rum traffic. Let us remember that in a few weeks we will be called upon to determine who shall make our laws for the next four years, and who shall execute them. Let us therefore, do all in our power by prayer, vote and influence to see that the next administration shall be favorable to the righteous cause of temperance and state-wide prohibition. The time has come when we must face the enemy in the open. The fight is on. Having made the start it will be worse than defeat to retrench.

We endorse the principles and purposes of the Anti-Saloon League of the state, and pray God's blessings on every well-directed effort to bring to naught the evil purposes of the advocates of rum. We pray that God's blessings may attend on the W. C. T. U., and, in common with all the agencies of God and right, we confidently expect victory to be our happy reward. But let us remember that "Eternal vigilance is the price of safety."

Whereas, There seems to be a growing tendency to engage in the illicit sale of liquor in prohibition territory, and whereas, the authorities seem to be powerless in some places to suppress this evil, and, whereas, the violators of the law do not seem to dread the penalty attached thereto, often repeating the offense many times:

Be it resolved,

That we earnestly request the next session of our State Legislature to make the unlawful selling of intoxicants a felony instead of a misdemeanor.

J. I. Hoffpauir read the reports of the Board of Church Extension, Nos. 1 and 2, which were adopted as follows:

REPORT OF THE BOARD OF CHURCH EXTENSION.

We are glad to be able to report for this year a small increase in the amount collected for Church Extension, the total receipts being $2,866.00, as against last year's receipts of $2,382.00. But we feel somewhat humiliated when we face the fact that only a little over one-half of the entire assessment has been collected.

The twenty-nine years of labor should be an inspiration to us as a Conference to do better than we have been doing.

Dr. W. F. McMurry in his public address and by the display of his charts, has given us the facts and figures setting forth the work of the Church Extension Board, but they will bear a partial repetition in our annual report.

Think of receipts on assessments totaling in twenty-nine years, $2,111,274.00. On specials $112,221.00. To Loan Funds, $106,772.00, with a present Loan Fund capital of nearly $400,000.00. But the goal fixed by our fathers has not yet been reached.

In 1882 at the organization of the Board of Church Extension this resolution was adopted: "Resolved, That the cause of Church Extension be strongly urged upon the attention of our people as a leading object for their contribution in 1884, and that we seek to raise a Loan Fund of $500,000.00.

That the goal, brethren, is now almost in sight, and we, their children should seek earnestly to hasten the glorious day.

Think, will you, of an amount loaned to churches of over $1,000,000, and an amount donated to churches of nearly $2,000,000, and a total invested in churches by our Board of Chruch Extension of over $3,000,000, aiding 8,062 churches, all in twenty-nine years. Nearly a church a day for every working day of the twenty-nine years of its history; 164 churches in our own Conference, nearly one-half of what we have, received aid from the Church Extension Board.

During the twenty-nine years' history of the Louisiana Conference Board Extension, there has been raised for Church Extension in annual collections, Loan Funds and specials $42,621.00.

While this is a creditable showing, it should have been more.

We have received from the General Board more money in aid of Church building than we have turned in to that Board. Brethren, these things ought not so to be, and by the grace of God we should determine that they shall not be so any longer.

We call special attention to the literature published for free distribution under the auspices of the General Board, and respectfully urge upon the pastors the wisdom of supplying themselves liberally with this literature and sowing it broadcast in every station, circuit and Mission. Your Board has before it applications for aid amounting to double the amount it had to disburse.

Some of these applications were so far from conforming to the disciplinary requirements that the law of our Church compelled their rejection. Only one or two of them met the requirements, and most of those allowed were allowed on condition that the disciplinary requirements be met in full before the amount allowed be paid.

We respectfully but emphatically suggest that pastors and Boards of Trustees upon making application for aid, meet all requirments, as your Board does not feel justified in granting aid when by so doing they would be violating the law of the Church. We desire to emphasize as forcibly as we can the Loan Fund and Annuity features of our Church Extension work, and if allowable in a report like this, we would exhort the pastors to greater dilligence in looking after these two features of our work.

The following preamble and resolutions were unanimously adopted by Louisiana Conference Board of Church Extension in regular session December 8, 1911.

"Whereas, the Constitution of the Board of Church Extension as found in Discipline of 1910, paragraph 396, gives the Conference Boards the right to lend any part of the fund collected for Church Extension and entrusted to it:

Therefore, be it resolved:

First, That it is the policy of the Louisiana Conference Board of Church Extension to lend the fund collected for Church Extension, and entrusted to it, when the end desired can be accomplished as well by a loan as by a donation.

Second, Be it further resolved that the pastors and Boards of Trustees take note of the policy of the Board and make their applications conform to its policy."

Your board respectfully request the Presiding Elders to make provisions at their several District Conferences to bring the subject of Church Extension prominently before the District Conferences.

J. I. HOFFPAUIR, Secretary for the Committee.

Question 6—Who are received by transfer from other Conferences?—was called.

The Bishop announced the transfer of Rev. C. C. Selecman from St Louis Conference.

Question 7—Who are received from other Churches as local preachers?—was called.

Answer—None.

T. V. Ellzey presented the report of the Sunday School Board, which was adopted as follows:

REPORT OF SUNDAY SCHOOL BOARD.

Whereas, your Board held a semi-annual meeting May 31st, 1911, at Alexandria, and unanimously recommended that Sunday School District Conference Boards be created to be composed of a lay member of the Annual Conference Board as Chairman, with all Superintendents in the District active members, and the pastors and Presiding Elder ex-officio members, and,

Whereas, some of the organizations have been perfected, and, following the action of our Board at its regular meeting recommended to all our Conference Boards that District Conference Sunday School Boards be organized.

We, therefore, earnestly request that our Presiding Elders and pastors cooperate with this Board in perfecting said organization in each of our seven Districts.

The Conference Missionary is to work through the District Conference Board in the several Districts of Louisiana.

After careful consideration, we have unanimously re-elected our Sunday

School Missionary, Brother P O. Lowrey, for another year, subject to his appointment by the Bishop. We appreciate the work that has been accomplished by Brother Lowrey, and we thank our brethren, the Presiding Elders and pastors for their cooperation during the past year. Some of the things that Brother Lowrey has accomplished are as follows:

Miles travelled by rail 15,289, by buggy 469, by boat 100, making ta total of 15,853; address delivered 143; children's sermons preached 31; councils held with pastors 75; Sunday Schools organized 13; Home Departments organized 42; Cradle Rolls organized 38; Teacher's Training Classes established 18; Teacher's Libraies established 26; Adult Bible Classes planned o organized2 4; Sunday Schools graded 5; Elementary Superintendent selected 4; Teachers' Meetings established 2; Rally Days planned 8; Sunday Schools conducted 3; money raised for equipping local Sunday Schools $143.00; money raised for Sunday School Board and expense account $29.20.

We believe that the experience of this year proves beyond a shadow of a doubt the wisdom of putting a Conference Sunday School Missionary in the field. If the Presiding Elders and pastors will cooperate with this Board in organizing the several District Sunday School Conference Boards, and further enlisting our lay men in this work, far greater results will be achieved during the coming year.

It is the sense of this Board that our Missionary will only go into the Districts where the Presiding Elders desire his services and will personally cooperate in getting results through his efforts.

We quote the following from our General Sunday School Boards:

"That we respectfully request our Presiding Elders to arrange dates of District Conerences so that not more than two shall be held in the same week, and these on different dates, thereby making it possible for the members of the Sunday School Board to take part in the Sunday School program of each Conference; and we recommend that the District Chairman urge all Superintendents of the District to be present at the Conference and participate in the Sunday Schools work."

If our Presiding Elders will so arrange their District Conferences so that not more than two will be held in the same week, and will give us a full day at the District Conference for Sunday School work, we will make a special effort to get all the Sunday School Superintendents and as many other workers as possible present to participate in a forward move in the Sunday School work of their respective District. The District Conference occasion is the opportune time for all concerned, Presiding Elder, pastors superintendents, to pull together to get out a large attendance and get better acquainted with each other and the work. We believe that the needs of each District can be better understood by having an institute under the auspices of the District Sunday School Board in connection with the District Conference. We, therefore, pray that our Presiding Elders arrange their District Conference accordingly and join with us in a united effort to bring larger things to pass for our Lord through the Sunday School work of our Conference

Our Board earnestly begs that all our Sunday Schools make the Sunday School service of December 24th of special interest and emphasis in regard to the Mission Sunday Schools and their needs, and that the offering be made as large as possible and be given for the work of the Mission Schools; the same to be remitted at once to the Treasurer of our Board, Mr. J. W. Trieschman, Lake Providence, La.

In view of the fact that our Discipline sets the third Sunday in May as Children's Day and in consideration of the fact that the offering on this day is the source from which this Board gets the major part of its support to sustain its Sunday School Missionary work, and that thirty per cent of this offering goes to the endowment fund for the Chair of Religious Pedagogy and Sunday Schools in Vanderbilt University, we urge a universal observance of Children's Day.

Whereas, the third Sunday in May, which is the day appointed for the celebration of Children's Day, comes at a time when the public schools are having examinations and preparing for Commencement and when, therefore, the children of the Sunday School are engaged in their school matters, and,

Whereas, said day comes after the hot weather has begun and the best of the spring has passed,

Therefore, be it resolved, that we request the Louisiana Annual Conference to fix the last Sunday in April as the day when all the Methodist Sunday Schools in Louisiana shall observe Children's Day.

Be it further resolved, that our Conference be requested to memorialize the General Conference to change the date to the last Sunday in April, or as near thereto as practicable.

We urge our pastors and superintendents to plan for a Dicision Day in all Sunday Schools and we suggest that in order to be uniform in the day that the last Sunday in February be fixed as Decision Day in our Sunday Schools.

We call the attention of our pastors and Sunday School superintendents to the Sunday School Loan Fund of our Chuch Extension Board and urge them to see to it that our schools do their part in raising this Sunday School Loan Fund through birthday offerings. We quote the following from a letter from the Secretary of the Church Extenion Board, Dr. W. F. McMurry:

"With few exceptions, there seems to be a general indifference in our Sunday Schools to the B'rthday Offerings for our Church Extension Loan Fund. This fund is to be devoted to building well equipped Sunday School Churches. Jars to receive this offering are furnished free by our Church Extension Board to any pastor or superintendent applying. We think that all our Conference Boards should press this interest and observe this method of our church for raising funds and for educating our people in one of the most important institutions of the church."

We congratulate our Sunday School Editor, Rev. E. B. Chappell, D. D., on the magnificent Sunday School literature he is furnishing for our work.

We urge a thorough organization and gradation of all our schools and the tntroduction of the system of graded lessons as rapidly as possible; also the adoption of the Standard of Excellence.

We appreciate the work of our Teacher Training Department under the leadership of our beloved Superintendent, Dr H. M. Hamill, and urge every Sunday School in our Conference to establish a Teacher Training Department in the Sunday School with classes studying our own denominational courses.

We note with pleasure the growth and development of the Wesley Adult Bible Class Department under the leadership of Rev. Chas. D. Bulla, and we recommend that as rapidly as possible our adults be organized and enroll in this department.

We heartily concur in the action of our General Board in its effort to erect a model Sunday School building at the Southern Assembly at Waynesville, N. C., and we pledge our hearty cooperation in raising the funds necessary for the completion of said building.

We are thankful to be able to report an increase in the number of Sunday Schools this year of four over last year, and an increase of 107 teachers and officers. We regret that the reports show a decrease of 31 scholars. This decrease is shown because some of our brethren do not report the number enrolled in the Cradle Roll and Home Departments. These departments are a living part of the School and should be reported by all means.

We regret the fact that our records show that we have 378 societies and only 309 Sunday Schools, and some of these Sunday Schools are not in organized churches.

We therefore urge every pastor to cooperate with our Board to the end that there will be a Sunday School in every church in our state.

We appreciate the efforts of the Louisiana Sunday School Association through its policy of organization and cooperation in organizing the parishes and wards

of our state, and thereby bringing to the door of all our Sunday Schools, through its conventions and institutions, the latest methods and plans in modern Sunday Schools work, and

Whereas, that 90 per cent of our Sunday School work is in common, and

Whereas, the Louisiana Sunday School Association has brought about a marvelous growth and development of the Sunday School work of Louisiana,

We, therefore, heartily endorse the work of the Louisiana Sunday School Association and urge our people everywhere to cooperate in the work of said Association by attending conventions and assisting in every other way possible in winning thousands of boys and girls of Louisiana who are receiving no religious training whatever for our Lord and Savior Jesus Christ and His service.

We, hereby, memorialize our General Conference to add to our statistical blanks the item "number of members received into the church from the Sunday School."

We note with pleasure that the Third Annual Conference of the Chairmen of the Annual Conference Boards, Field Secretaries and Sunday School Missionaries will meet in New Irleans on January 11th to 14th, next. We doubt that any move has been made recently that has meant more for our Sunday School work than these Conferences and we congratulate our Conference for taking the initiative in consumating this valuable movement.

We express our appreciation of the services of our brother, A. G. Shankle, as Treasurer of our Board and regret that he is with us no more, officially.

WORKING MANUAL.

The Conference of Chairmen of Annual Sunday School Boards and Field Secretaries held in Memphis, Tennessee, April, 1911, requested Mr. John R. Pepper to prepare a working manual for the use of Sunday School Boards, Field Secretaries and Sunday School workers in general. Brother Pepper has compiled the Working Manual in which is gathered interesting history, and useful statistics and suggestions concerning every phase of Sunday School work from people whose experience entitles them to speak with authority. The church is indebted to Brother Pepper for this work and we hereby express our appreciation of his service.

The report of the Committee of Church Publications was presented by K. W. Dodson and adopted as follows:

REPORT OF CHURCH PUBLICATIONS.

We have heard with pleasure of the increased circulation of our Conference organ, The New Orlean Christian Advocate, and desire to commend it to our pastors and people as worthy of their hearty support. Ably edited, with contributed articles of high order, and full of general news items, Dr. Meek is giving us a paper second to none, and we felicitate ourselves upon his re-election as Editor.

Our connectional organ "The Christian Advocate," of Nashville, "The Epworth Era" and "The Methodist Quarterly Review," continue to maintain their high standards of excellence, and we bespeak for them an increasing circulation and usefulness. We desire to call special attention to our new Missionary publication, "The Missionary Voice," as being a periodical of unusual merit, deserving a large circulation. Also we desre to direct attention of our pastors and Sunday School officials to the Graded Sunday School literature being issued by our church as being worthy of careful consideration.

We recommend the appointment of J. M. Henry, N. E. Joyner and W. W. Drake as members of the Publishing Committee for the New Orleans Christian Advocate.

The report of the Historical Commission was adopted as follows:

REPORT OF HISTORICAL COMMISSION.

The Historical Commission express the profound regret of the whole Conference at the common loss incurred by the burning of the invaluable data that Rev. R. J. Harp had collected for, and was being used in, the preparation of a history of Methodism in Louisiana

In view of the interruption of Brother Harp's work and this irreparable loss, we recommend that Rev. J. M. Henry be appointed Chairman of the Commission and charged with the duty of collecting data for, and preparing for publication a history of Methodism in Louisiana; and the Commission bespeak for him the earnest cooperation of Brother Harp in placing at his disposal the reminiscenses of his career, which constitute an indispensable element in the history of the period, and otherwise aiding Dr. Henry as he may be able.

We recommend that Rev. W.. W. Drake be placed on the Commission instead of J. A. Miller, and the Commission continued.

The report of the Epworth League Board was adopted as follows:

REPORT OF THE EPWORTH LEAGUE BOARD.

We are pleased to observe in the report of the General Secretary many indications of prosperity in the Epworth League of our church, and especially the plans adopted at the last meeting of the General Board for wider usefulness of our young people's organizations and the Conference Boards.

Your Committee has adopted several suggestions of the General Secretary as follows: That a District Institute be held in each Presiding Elder's District, and in all cases where the District is organized, the Institute be held in connection with the District Epworth League Conference, and that the chairman of the Epworth League Board in connection with our Field Secretary, Mrs. Sudie Lingle, and the District secretaries be authorized to arrange their campaigns for District Institutes.

In order to assist the secretaries in collecting the ten-cent assessment, we have appointed Rev. A. I. Townsley as Corresponding Secretary for this purpose.

We call attention to the State Epworth League Conference which convened in Lake Charles, June 19, 1912, and to the Epworth League Assembly at Seashore Camp Grounds. We would ask every pastor to appoint at least one delegate from his charge to the Seashore Assembly.

We recommend the substitution on the Board of A. I. Townsley in place of W. H. Benton, and John Sholars in place of W. L. Doss, clerical, and V. L. Fulton in place of E. B. Ward, Jr., lay.

A. F. VAUGHAN, Secetary.

The reports of the Woman's Home and Foreign Mission Societies were received and ordered to record. (See appendix, pp. ——.)

The following memorial from the Baton Rouge District was adopted:

The following resolution memorializing the Annual Conference is presented from the Baton Rouge District Conference:

Resolved, That, Whereas: The Louisiana Annual Conference has adopted a resolution ordering that the amount apportioned to each District be distributed among the various charges in proportion to the membership and the amount paid for ministerial support during the past quadrennium, we hereby memorialize the Louisiana Annual Conference that said dstribution in the several Districts be based upon both the membership and the amount paid for ministerial support of the preceding year, instead of the preceding quadrennium as heretofore; and that the Secretary of the Annual Conference be required to furnish data to each of the Presiding Elders, in order that the said divisions may be made.

And, that all resolutions with reference to the distribution of the assessments in conflict with the above resilution be, and are hereby repealed.

C. C. MILLER, Presiding Elder.
R. S. WALTON, Secretary.

The report of the Bible Society Board was presented by S. H. Werlein and adopted as follows:

REPORT OF THE BIBLE SOCIETY.

It is not necessary to call the attention of this Conference to the great work of the Aherican Bible Society. We all know that without its comprehensive and far-reaching activities the success attending the preaching of the Gospel would be greatly hindered. We are especially concerned for the distribution of the Scriptures within the bounds of the Louisiana Conference, and we would call attention to the efforts now being put forth by the American Bible Society to place the Bible in the hands of all the people of this state. At their own expense the American Bible Society is employing colporteurs who are circulating the Bible among the French and Italian in this state. These people are largely under the influence of the Roman Catholic Church. An open Bible is prescribed by that church. Protestanism stands for the universal dissemination of the Scriptures. The American Bible Society is the right arm of the church and therefore should be aided and endorsed by this Conference. The amount assessed by the Conference for the Bible Saciety is $600.00. For every dollar we pay, the American Bible Society puts up at least $5.00. This Committee expresses its disappointment that the small amount assessed has not been fully paid this year. Only $458.00 of this amount has been paid, leaving a deficit of $342.00. This is not to our credit.

We recommend that the amount, viz., $800.00 be assessed on the Districts of the Louisiana Conference for the year 1912.

We ask that the names of J. I. McCain, J. L. Sutton and H. S. Johns be placed on the board in place of R. O. Weir, transferred, J. P. Haney, deceased, and H. W. Bowman, resigned.

MARTIN HEBERT, Secretary.

The report of the Board of Missions was presented by W. H. Coleman and adopted as follows:

REPORT OF THE BOARD OF MISSIONS.

Facing as we do the national awakenings and world movements that offer unprecedented opportunities for the advancing of the Kingdom of our Lord, it is with gratitude that we note the breadth of vision and zeal of activity with which our own great church is moving toward the glorious task of the world's evangeliztion.

And being in full accord with the policies of our General Board, we, your

Conference Board of Missions, beg to submit the following report and to respectfully make the suggestions and requests therein contained.

1. Recognizing the need of a definite plan of evangelism in the church at large and also in the Louisiana Conference, we endorse the plan as outlined by the Home Department of our General Board, and recommend that when the services of a general or special evangelist is required, our pastors be advised to secure the services of same through the General Committee.

2. We have elected as our Conference Missionary Evangelist Rev. A. W. Turner, and requested the Bishop to appoint him to said office. N. E. Joyner is nominated Conference Missionary Secretary. V. L. Fulton is nominated Conference Lay Leader.

3. We have elected a Conference Committee on Evangelism composed of the president and secretary of your Board and our Conference Missionary Secretary. which committee shall direct the work of our Missionary Evangelist, and will gladly cooperate with our Presiding Elders in the matter of District Evangelists.

4. All pastors who have evangelistic gifts and who will give ten days to such work, are requested to give in their names to the evangelistic committee as early as possible, it being understood that all collections made by or for them in said work, above necessary expenses shall be turned into the evangelistic fund.

We are happy to report that notwithstanding the financial depression, our contributions for Missions are in excess of last year.

We heartily approve the policy of the Educational Department of our General Board, and realizing that our people are not sufficiently informed regarding missions, your Board has instructed its executive committee to immediately plan and direct an educational campaign in which we are assured of assistance from General Secretarial force, and in which we earnestly solicit the cooperation of every Presiding Elder, pastor and layman in the Louisiana Conference.

We recommend that our financial standard for the ensuing year be to raise for missions an amount equal to not less than seventy-five cents per capita for every member in the Louisiana Conference.

In the reports of the several boards apportionments are made of their respective assessments. The Conference, however, ordered that the apportionments be made on an average proportion of membership and ministrial support based upon the statistics of last year. The foregoing apportionments are calculated accordingly, using the statistical reports of 1911 as a basis, and those given in the reports are corrected to conform to this table. The apportionments for the Orphanage, with decimal point placed before the first figure, constitute the scale for each district respectively.

I. REPORT OF BOARD OF DIRECTORS OF THE ORPHANS HOME.

To the Louisiana Annual Conference of the Methodist Episcopal Church, South:

The Board of Directors of the Louisiana Methodist Orphanage beg leave to submit the following report for the current year:

We are glad to report that the year now closing has been one of gratifying prosperity to the Board, except in the particular of contributions, in which we have this year fallen behind the sums raised for both of the past two years, and especially that of the year 1910. Our collections in 1909 were $10,449.21; in 1910 they were $13,187.03, while this year they have been $10,272.84. This condition, however, is due to the fact that the Superintendent has not been able to do the field work that he did the two previous years on account of the greater demands of the Home and the farm upon his time and personal attention in the development of the plant and bringing it more nearly to the point of becoming self-sustaining, which point we are rapidly approaching under the present management of the plant.

We have made reasonably gratifying progress in paying off our standing indebtedness, having reduced it form $7,000 to $4,000, at which latter figure it now stands. But owing to rapid filling of the Home with inmates, our financial demands are also increasing. Our Superintendent, whom with his family we have heretofore housed in the Home, will have to get out and give room for the in a home for the Superintendent. This will entail an expenditure of approximately creasing family of the Home, and we deem it the better business policy to build $3,000; and, furthermore, in the development and expansion of our plant, we need about $1,000, making $4,000. We have about made the necessary arrangements to borrow $8,000, at 6 per cent interest and on easy payments, $4,000 of which will be used in paying up our present debt of that amount. which bears 8 per cent interest, and the remainder to be used in expansion as above stated; and it is the opinion of our Superintendent that he will be able to retire the whole of our indebtedness during the coming year, under ordinary crop and financial conditions. Whether he does or not, however, we will not be in a financial situation on account of this loan in which we would be embarrassed, as we have stipulated for liberal terms.

Our collections this year have been		$10.272.84
Expenditures—		
Operating expenses	2,162.37	
Maintenance of Home and Farm	4,777.99	
Furniture purchased for Home	310.68	7,251.04
Banlance to apply on debt		$3,021.80

The Board at its last meeting in 1910 created the two offices of Field Secretary and Manager of the Orphanage. Rev. R. W. Vaughan was appointed by the iBshop at the last Annual Conference to be Field Secretary, and Rev. T. D. Lipscomb to be Manager. On account of differences of opinion between this Board and Rev. T. D. Lipscomb as Manager. as to the duties and authority of the Manager in the affairs of the Orphanage, Mr. Lipscomb resigned his office early in the month of January of the present year; his resignation was accepted by the Board, the two offices of Field Secretary and Manager were abolished and the office of General Superintendent created and Rev. R. W. Vaughan was elected to fill the new office; all of which changes were accepted and ratified by Bishop Murrah, and Rév. T. D. Lipscomb was appointed by Bishop Murrah to a ministerial charge.

A meeting of the Board was held on August 3rd, last, to inspect the property and look into the management of the Home and the affairs generally of the institution. We made a very thorough examination and inquiry into all phases of the management. both of the farm and the Home. and found everything to be eminently satisfactory to the Board: we do not believe it could be improved upon, without additional means financially. Our investigation revealed an emphatic contradiction of all rumors of unkind treatment of the children.

At a meeting of the Board of Directors held on the 28th of November, 1911, Directors O. E. Hodge, P. K. Abel, W. H. Coleman were nominated for re-election by the Annual Conference. The Board unanimously joined in memorializing the Annual Conference to levy an assessment of $10,000 upon the various charges of the Conference for the maintenance of the Orphanage. Rev. R. W. Vaughan was unanimously elected General Superintendent for the year 1912, with the request that he be appointed by the Bishop.

Respectfully submitted,

S. D. PEARCE, President.

Memoirs

Rev. W. H. WHATLEY.

In 1864 an old, superannuate local itinerant preacher found himself fast reaching his end. Calling his son to his bedside, he said, "My son, brush away your tears. For forty-five years I have been preaching up and down this land, and have shown you how to live. Now I shall show you how a Christian should die. Soon I shall be very happy in my eternal home." Then after a short while, remembering his far away unsaved boy, he said, "O Lord, have mercy on Sam Hugh and save his soul," then quietly passed to his glorious reward. Thus died Uriah Whatley, for forty-five years an acceptable, efficient and honorable preacher, local and itinerant in the hill country between Campti and the mouth of Red River —the Red River on the west and the Ouachita on the east.

On Thursday, October 5, 1911, at 3:25 p. m., in the comfortable home at Rayville, La., which he had just completed after much arduous toil and self-denial, this prayer was fully answered, when Rev. Sam Hugh Whatley passed over to meet that glorified Father. For thirty-one years, Brother Whatley had been an accepted and effective itinerant, traveling over much of the same territory where his father from 1825 to 1864 had sown the seed of the kingdom. Only ten years intervened between the death of the father and the call of the son, who was admitted on trial into the Louisiana Conference in 1880. Brother Whatley served the Rapides Circuit in 1880-81, Colfax Circuit 1882-83, Evergreen and Big Cane 1884-87, Lecompte and Bayou Boeuf 1888-89, Caddo Circuit 1890-91, Pleasant Hill Circuit 1892-93, Prudhomme Circuit 1894, Indian Bayou 1895, Gross Tete 1896, Girard and Colony 1897-1900, East Feliciana Circuit 1901, Melville Circuit 1902-04, White Castle 1905, New Roads 1906. His health failed from organic trouble and he was forced to ask superannuation at sixty-one years of age. For four years he has labored in and around Rayville so far as his health would permit.

During his active ministry he wrought well and left behind thirteen churches by his efforts, showing himself to be a builder, a workman that needeth not to be ashamed. A record worthy of emulation.

His early educational advantages were limited, his school days coming at a time when our state, as all are Southland, was rent with strife and turmoil of civil war, yet like many of our most successful preachers, by earnest study, dint of perseverence, native manliness and the grace of God, as he went from circuit to circuit through the length and breadth of the state, many souls found their way out of the darkness into the light under his faithful ministry.

He first saw the light of this world in Catahoula Parish, La., May 11, 1846, thirty miles from Alexandria, and when about thirteen years old the light of the eternal world, and again when around his family altar when his full duty flashed upon him and he was moved to give himself and all to the service of his Lord, November 18, 1868, he was married to Miss Ada B. Dayton, who by the grace of God through all the strenuous labors of his itinerant life, proved a helpmeet indeed for him, sharing with glad heart his many joys and sorrows.

He came to his end in full assurance. He grew old without sourness, but happily, cheerfully accepted the providence of God that necessitated his superannuation because of disease.

During the last two years he had periods of great suffering, which were endured without complaining, and a strong undaunted faith. Among his last words, a few hours before his death, were "Sweet peace," quoting in part that beautiful song. What a welcome that father gave the son for whom his dying prayer was breathed out almost with his dying breath. The father rested from his labors; the son took up the cry ten years after, and for seventy-five years the cry of father and son, "Perhaps the way of the Lord," sounded forth through the Louisiana hills and valleys. Now the two rejoice together forever in the estate of the Lord's blessing, whose death is precious in his sight.

With all powers at hand, and availing himself of all opportunities that came his way, we can truly say, "he hath done what he could" for his Lord and Master. He was in his sixty-fifth year, having lived an itinerant minister thirty-one years. He leaves a wife and five daughters—three married, two single—and three sons, two married and one single.

May the father's walk in faith, who has shown his boys how to live and how to die, be so impressed upon his family that they may meet him on the other shore as he already rejoices with his ascended father.

"Servant of God, well done! Rest from thy loved employ.
The battle fought, the victory won, enter the Master,'s joy."

W. F. HENDERSON.

REV. J. P. HANEY.

Rev. J. P. Haney was born in Eeast Feliciana Parish September 4th, 1865, and died at Clinton, La., September 9, 1911. He joined the M. E. Church, South, at Gilead church on the Eeast Feliciana Circuit in the year 1865, and was received into the Mississippi Conference on trial at Brookhaven, Miss., in 1891, and received as his first appointment the Talysheek Circuit. He continued his relation with the Mississippi Conference until the year 1894, doing his work in that part of Louisiana then embraced in the Woodville District, and when this territory was ceded by the General Conference to the Louisiana Conference, he was transferred by that act to this Conference where he continued in arduous and devoted service until God severed that sacred relation and called him to spheres of higher and more blissful service.

During his itinerant career he served with distinction and unflinching loyality to God and his church, some of the most arduous and difficult mission fields of our Conference and was never known to complain or give way to discouragement or despondency. He was always one of the most optimistic men among us and his success was attributable largely to the fact that this element of equipment was sufficiently developed to be contagious and always inspired a spirit of helpfulness in his co-workers on his charges.

Brother Haney was a close student, an accurate thinker and a strong preacher. He read many of the best books and kept apace with modern thought, but was always rigidly orthodox in his convictions.

During his twenty years of service in the itinerancy, he served acceptably Talysheek, Live Oak, Pine Grove, Bayou, Lora, Bunkie and Marksville, Indian Boyou, Montgomery and Colfax, Opelousas, Wilson, St. Helena, Ponchotoula and East Feliciana, where he died in joyous anticipation of the "crown of life."

The last two years of his life his health began to break down and though he was a great sufferer, he bore his sufferings with heroic patience and fortitude, resisting with vigor the impairment of disease in order that he might prosecute with dilligence the work assigned him. Hopeful till near the end that he might be spared yet longer to continue his work for our Master, but still beautifully resigned to the will of God.

He was most happily married to Miss Leola Hatcher of Eeast Feliciana Parish, March 11, 1886, and from this union were born six bright and beautiful children, five girls all now about grown to a noble young Christian womanhood, and a precious and bright little boy, John Jr., who slipped away from their fond embrace to join the angels at the sweet and tender age of nineteen months. Bitter indeed was this great bereavement, but with Christian resignation he bowed beneath the disposing hand of the Master and said "Thy will be done." Nor was this all of his affliction, for,

On March 11th, of this year, the twenty-fifth anniversary of their marriage, and while he was prostrated with what proved to be his last illness, his beloved wife slipped away from his bedside at the call of her Master, and entered within the gates of the city where she awaited a few brief months his coming home. And still while torn and withered with this bitterest of sorrows, his heart harrowed with a desolating bereavement, he exemplified that rarest and most excellent of Christian virtues, a complete resignation.

J. W. LEE.

REV. WILSON MOORE.

Rev. Wilson Moore was born in Arkansas, March 5, 1862, and died at Glenmora, La., October 28, 1911. Brother Moore was admitted on trial into the Louisiana Conference in 1885, serving twenty years in its active ministry, two years a superannuate and four years a member of the Little Rock Conference.

He was sent to the following works in Louisiana: 1885, Spring Creek Circuit; 1886, Trinity Circuit; 1888, Centerville Circuit; 1889, Sugartown; 1890, Centerville; 1891 and 1892, Bayou Chicot; 1893, Ada; 1894, Atlanta; 1895 and 1896, Wesley; 1897, West Bossier; 1898 and 1899, Superannuate; 1900, Logansport; 1901, Many and Fort Jesup; 1902, Zwolle; 1903, Transferred to Little Rock; 1908 and 1909, Eden Circuit; 1910, Fullerton and Oakdale.

His opportunities for an education and to prepare himself for the ministry were limited. He labored under many disadvantages, being a long sufferer from bronichial and other troubles. He served many hard places and had to surmount many difficulties, yet determined to succeed and did. I knew him for many years but never heard him really complain. It was my pleasure to have had him for my pastor while he was on Wesley Circuit, also to have been pastor of his family this year.

Brother Moore was a good, clear preacher of the Gospel, a faithful pastor and loved the life he preached. Many were converted during his ministry. He had many friends to whom his death was a great shock. He leaves a wife, three sons, a mother and many realtives and friends to mourn his departure. May God comfort the loved ones.

"He fought a good fight, kept the faith," hence has received the crown of righteousness.

MRS. ROBT. RANDLE.

Mrs. Pauline Glass Randle, daughter of Dr. Thos. A. Glass and Mrs. Sarah Grigsby Glass, was born in what was then Claiborne Parish, La., fourteen mile north of Minden, December 17, 1849.

In order that she might continue her education without interruption, her father placed her in school in Texas during the civil war. At the close of this trying period, she entered Minden College, where so many of the young women of North Louisiana received a liberal education, and here she was graduated in 1867.

After graduation, she engaged in teaching two years and on January 6, 1870, was married to Rev. Robt. Randle, a young itinerant Methodist preacher, then just beginning his notably useful career in the Louisiana Conference.

She publicly confessed her Saviour and became a member of the M. E. Church, South, in August, 1860, after which time she led a life of heroic and unswerving devotion to her Master until her recent death, sharing all the trials and all the glorious successes that fall to the lot of the family of the Methodist itinerant.

She was the mother of six children, four of whom have grown to mature life, and in their careful rearing and education, she literally invested herself, teaching school to assist in defraying expenses, and summoning every power of her being to work until this task was accomplished. Her heart has been gladdened by seeing them all enter upon life well equipped in culture and character.

Sister Randle was a woman of cultivated mind and natural ability, and the field of her usefulness has been large. Though quiet and unobtrusive, her charm and grace of manner have touched and quickened many lives outside of the home circle which was so truly sanctified by her presence. She was a most true type of the faithful preacher's wife, in perfect sympathy with the passion to serve Christ and the world that burns in the soul of her husband ever inspiring and cheering him in the face of trials that would otherwise have been very difficult to bear, unselfish and self-sacrificing, an intelligent counsellor and a genuine helpmeet. She filled nobly her place in this world and has taken a worthy place in the world invisible. Her spirit abides here as a perpetual presence.

For a number of years Sister Randle was in failing health, and she passed

away in peaceful triumph over suffering and death on Sunday morning, June 11, in Cotton Valley, La., not very far from the place of her birth and childhood home.

Her body was laid to rest in the Minden cemetery after impressive services conducted by Brothers, D. C. Barr and W. J. Porter. The sympathy of all the church goes out to the bereaved family and especially to our bereaved brother, who must travel down the hill of life without the cheer of her companionship.

R. H. WYNN.

MRS. J. G. SLOANE.

Mrs. Mary Almeda Sloane (nee Hayes) was born near Crowley, La., January 16th, 1869. From an educational standpoint she was reared under disadvantages, but she was brought up in the excellent home of her parents, Brother and Sister Isaac Hayes of precious memory. Under the training and protection of these faithful guardians, early in life Sister Sloane, under the ministry of Rev. R. M. Blocker, gave her heart to God and joined the Methodist Episcopal Church, South, and continued a consistent member therein through life.

On December 30, 1886, she was married to Mr. John G. Sloane. She was the mother of seven children, two of whom died in infancy: Doby, Robert, Byron, Joseph and Nolly survive her, and are members of their mother's church, and are endeavoring to follow her counsel.

When Sister Sloane knew her husband was called to the itinerant ministry, she conferred not with flesh and blood, but cheerfully left her comfortable home in Crowley, La., in the interest of lost humanity. Eternity alone will reveal the work of this consecrated wife as a co-laborer with her husband, the Rev. John G. Sloane, a much loved member of our Conference.

Sister Sloane, though a great sufferer, the latter part of her life, did not complain, and just a short while before leaving for the home beyond, calmly counselled her sorrowing husband and children and bade adieu to earth. She died from the effects of a surgical operation June 13, 1911, and was buried the following day in the beautiful Greenwood cemetery in Shreveport, La. Many friends stood by, while Dr. G. E. Cameron and the writer officiated in consigning to earth all that was mortal.

May the blessings of our Heavenly Father comfort and sustain our bereaved brother and his motherless children and they each so live that there will be a happy reunion in the Sweet Bye and Bye.

W. J. PORTER.

MRS. J. P. HANEY.

Mrs. J. P. Haney was born July 17, 1869, and joined the M. E. Church, South, at Gilead church when but a child, and lived a beautiful Christian life until her death, and died in the ripe perfection of a living faith.

She was a devoted wife and mother, a great helpmeet to her husband in his work and the kindliest and best of mothers, and reared five bright and beautiful girls to noble young womanhood, admired by all who know them, for their excellent virtues and deep piety.

Noble and beautiful indeed was the life of Sister Haney, and no one but God can know how much she contributed to his kingdom as a faithful, pious mother and devoted wife and helpmeet, and cheerful party to the labors and sacrifices of a diligent itinerant preacher.

Truly her children will rise up and call her blessed.
